

You are Invited to Become a Business Member
Of the Arlington Heights Historical Society

A business membership in Arlington Heights Historical Society is a gift to our community. It helps the Society maintain the collections, the museum's historic structures, which includes two houses on the National Register, and the many exhibits, events and educational programs.

Why not think of the Arlington Heights Historical Society as a way to reward or celebrate with your employees? There are room rentals available for meetings and events, plus Society activities such as teas, fests, exhibits, a housewalk, historic re-enactments, antique appraisals and programs that employees can enjoy with their families.
