

2015 Festival of the Wreaths

The first Festival of the Wreaths sponsored by the Arlington Heights Historical Society was a great success. We received 78 wreaths submitted by individuals, community organizations, businesses and Village departments. During the Thanksgiving weekend many people visited the museum to view and bid on wreaths, listen to music and shop in our mini indoor farmers market. The proceeds from the wreath sales will support the museum collection and projects. We would like to thank all our sponsors, wreath submitters and wreath purchasers for their support in our first year of this event.

Category	Wreath Name	Created by	Donated By
