

BOY SCOUTS-

EAGLE LEVEL REQUIREMENTS

Eagle Scout Projects

In the past few years, the Arlington Heights Historical Museum has partnered with a number of Life Scouts to assist them in attaining their rank of Eagle Scout through different projects on the museum grounds.

To learn more about these opportunities, contact Program Coordinator, Lauren Szady, at 847-255-1225 or lszady@ahpd.org, or fill out the form on the scout program webpage.

Merit Badge Universities

Over the course of the year the Museum is host to several Merit Badge Universities, where Boy Scouts on their way to becoming Eagles can earn Merit badges toward that goal.

Badges include: Citizenship in the Community, Citizenship in the Nation, Citizenship in the World, American Cultures, and American Heritage

Check the Museum's Events Calendar (<https://www.ahmuseum.org/events/>) to see when the next Merit Badge University is scheduled or reach out to Lauren Szady, at 847-255-1225 or lszady@ahpd.org for help getting in touch with the Merit Badge Counselors.
